CELEBRATING THE CORONATION OF KING CHARLES III DATES FOR YOUR DIARY

SUNDAY MAY 7th **CORONATION PICNIC**

The Bratton Parish Coronation Street Party will be held on the Village Green so as to allow the village to get together on this auspicious occasion without the need to close the roads to traffic. The arrangements will be similar to the Jubilee with people bringing their own food and seating. There will be a Marquee. Our prizewinning Bratton Silver Band will be providing music to serenade your alfresco lunches at 1:00 pm and 2:15pm. For further information, please contact parish.chair@brattonparishcouncil.gov.uk.

MONDAY MAY 8TH **THE BIG HELP OUT**

This is a nationwide event as part of the Coronation celebrations. The Tidy Bratton Group invite you to join in a BIG LITTER PICK around Bratton and along the roads leading into the village. Please see details – Let's Win Again - below.

CORONATION CUPPA

At 2.30pm is the opening of the Coronation path at the Church Institute, followed by Tea Bags. Please see details below.

LET'S WIN AGAIN!

Last year Bratton was the 'Winner of the Winners'; this year we start all over again, so let's work together to become the Best Kept Village of 2023. Bratton is a beautiful village, looked after so well by so many residents, who pick up litter, keep hedges bordering footpaths & roads trimmed back, making the village look neat & tidy.

A little 'polishing' is planned on Monday May 8th when we will pick litter around Bratton and along the roads leading into the village. There's also a Tidy Bratton morning on Thursday 25th May.

For both events, please meet in the Duke car park at 10.00, bringing your gardening gloves.

We're proud of our wonderful village, let's make sure that the judges agree! They'll be here one day between 15th May and 15th June.

BRATTON CHURCH INSTITUTE

To celebrate the crowning of Charles III we have a special Coronation Tea Bags on May 8th. Rosemarie Gale will cut the ribbon for the official opening of the new Coronation Path, recently completed by the Ross Hillman team, and a splendid job they made! Cakes, chat and music played by Debby Bailey and the chance to win with a free raffle ticket with every piece of cake you buy! The prize? A celebration Coronation cake.

Also on May 4th we shall have a Coronation Coffee Pot. 10.30 to 12 for fresh coffee, lovely cakes and lots of chat!! Paulene Bryant is arranging several of her 'felting sessions' in May/June (starting May 13th) so look out for posters. Let's hope for some warm weather to bring on the plants for the Plant sale in the BCI garden on 20th May – see details below. Looking further ahead – the much needed and long awaited work on the roof is due to start on 17th July. This has been made possible through the many generous donations from 'Raise the roof – Buy a Tile' and other fundraising initiatives. There are still a few more tiles available – so any further contributions would be gratefully received! Do contact me for details.

Contact Joan for all enquiries/bookings on 01380 830744 or 07576851267 or email: joanmartin147@gmail.com

CORONATION LUNCH – CANCELLED 😞

Sadly, due to poor ticket sales, the committee have taken the reluctant decision to cancel the lunch and Coronation screening planned for May 6th.

AGM – March 21st

The current committee was re-elected with the exception of Esther Davis who resigned. Ken Davis stood down as Chair but remains on the committee. We would like to thank both of them for their sterling work over the past few years. The new officers are as follows: Mark Fanning (Chair), Cathy Elliott (Secretary/Vice-Chair), Margaret Hart (Treasurer), Hilary Chase (Bookings) and Andrea Franklin (Publicity).

Please note the new Hall contact number is 07897 011887.

WE NEED YOU!

It is unfortunate that we have now had to cancel 2 events due to lack of ticket sales and there was poor attendance at the AGM. The committee are struggling to find events that appeal to the Village so if you have any ideas, please do email us (jubileehall87@yahoo.com) or place them in the Hall post box.

BRATTON PLANT SALE – MAY 20TH

The annual Bratton Plant Sale will be held on Saturday 20th May from 10.30 to 12.30 at the Church Institute. Lots of plants, many of them home-grown and all very good value, will be available for sale. There will also be a "Bygones Stall" with a wide variety of items of used garden equipment, pots, etc. Refreshments (tea, coffee and bacon baps) will be available from 10.00 onwards. All proceeds will go towards the PCC General Fund.

BRATTON WOMENS INSTITUTE

Our April speaker failed to arrive but we had a very chatty meeting giving many members a chance to interact with others. Our next meeting on Tuesday May 2nd in the Church Institute, is our resolutions meeting when we will discuss the subject of CLEAN RIVERS FOR PEOPLE AND WILDLIFE and how the W.I. can help to get relevant policies implemented. We will also have a Coronation quiz, cheesy nibbles and a Prosecco toast to the Coronation ceremony.

CHURCH VIEWS

Most of us will never have seen a coronation before. Even if we were around 70 years ago, the chances are that we would have been huddling around an ancient, rather fuzzy, black & white image on an early TV. Even the King himself will only have faded memories of that event.

This month's coronation of King Charles and Queen Camilla will be a spectacular occasion viewed in high-definition colour all around the world. Twelve new pieces of music are being composed for the service in Westminster Abbey. The crown jewellers have been busy making alterations to the crowns and other royal regalia that will be used. Six thousand members of the armed services will be getting ready to be a part of the parade.

At the heart of all the formal ceremonial, however, will be a Christian act of worship, led by the Archbishop of Canterbury. It's a service marking the beginning of King Charles' reign as our monarch in which we can all take part, through the medium of modern TV. The prayers which shall be said can become *our* prayers as we say 'Amen' in our homes or wherever we are watching. For the coronation is about the monarch's relationship both with God and with his people.

When the late Queen was crowned in 1953, the most solemn part of the service, the anointing of the monarch with Chrism oil, was not broadcast. I am not sure how the BBC will manage that part of the service this time. It depends largely on what King Charles wants. Even if it's not broadcast, I am sure that this ancient piece of ceremonial will be described for us. Chrism is olive oil mixed with some bergamot and blessed by a bishop. It is used to mark the beginning of a Christian ministry, at baptism, confirmation, ordination or at a coronation. It is also used when a new church is being consecrated. Edington Priory Church still has the marks (crosses) where chrism was used to bless that building. King Charles, who is the Supreme Governor of the Church of England, will be anointed with chrism as a Christian monarch, just as his mother was 70 years ago. The chrism is used to make the sign of the cross on his hands, head and chest. We pray that he will be strengthened through the power of the Holy Spirit to fulfil this role to which he was born. Let us join together in praying for King Charles, Queen Camilla and all the Royal Family as his coronation takes place, and let us, with people in this country and others, commit ourselves to service, just as he is doing.

Almighty God, the fountain of all goodness,
bless our Sovereign Lord, King Charles,
and all who are in authority under him;
that they may order all things
in wisdom and equity, righteousness and peace,
to the honour of your name,
and the good of your Church and people;
through Jesus Christ our Lord. **Amen.**

VOLUNTEER WITH COMMUNITY SPEEDWATCH

Community Speedwatch are looking for volunteers, so if you are passionate about making a difference and want to help to reduce speeding motorists through the village please get in touch. We operate every other month as we share our speed detection device with Edington and usually operate for an hour at a time. Full training is given and you will be issued with your own fluorescent jacket and ID volunteer card. As we can't operate when the weather is either wet or foggy you are guaranteed an hour of nice weather! You will be with at least one other volunteer at a time convenient to you with a choice of four locations within the village. For further information, please email the Community Speedwatch team at brattoncsw@gmail.com.

THANK YOU

I would like to thank all my Bratton friends and acquaintances for their thoughts, prayers and support during my convalescence.

I'm also putting out a call for help with walking Percy. I'm temporarily in Abbeyfield House, apt 4, on Bratton Road. Katherine Beaumont - katherinebeaumont27@gmail.com

YOUR LOCAL COUNCILLOR – SUZANNE WICKHAM

I hope that everyone had time to enjoy the Easter break and wind down from the busy pace of life that most people lead. We are fortunate that a wonderful country walk is never very far away from us here in West Wiltshire, and even if you must wrap up warm and put your wellies on, there are so many places accessible for us to enjoy. I certainly blew the cobwebs away on the hills above Edington and Bratton over Easter and it was great to see so many people enjoying doing the same thing.

Moving to some practical things that may make people's lives a bit easier, I thought it would be a good idea to highlight how Election processes are changing shortly.

There are no scheduled elections in our areas of Wiltshire in the foreseeable future that I am aware of, but the way we vote is changing from 4th May this year. This will affect elections for Wiltshire Council, Town and Parish Councils, Police and Crime Commissioner and UK Parliamentary and by-elections.

Photo ID will be required at all the above elections at a Polling Station. Only a small minority of people have no form of photo ID such a driving licence, passport, bus pass or other specific forms of ID that are suitable, so this is unlikely to be an issue many. However, to avoid any problems in the future one simple answer is to apply for a Postal Vote. Once you have one it will be continuous for relevant elections unless you cancel it.

I know that some people like the experience of going to the polling station and putting their cross on their ballot paper, but this is not a problem as you can take your postal vote to a polling station, and it will be treated the same as a normal ballot paper.

The obvious benefit of a postal vote is that you have time to vote before the day of the election which can be very helpful if you are going to be away from home or are unable to get to the Polling Station.

Applying for a postal vote is quite simple and can be done online at elections@wiltshire.gov.uk where you can download a Postal Vote application form and return it either online at voting@wiltshire.gov.uk or post it to Election Services, at Wiltshire Council. Full details on the webpage.

You can also contact Election Services by email elections@wiltshire.gov.uk or by calling 0300 456 0122.

If you think a postal vote is a good idea, why not go ahead and apply for yours now? We never know what the future holds and you only need to apply once, but if you are a procrastinator, make sure your application is received at least 11 working days before the next election!

Please don't hesitate to contact me if you think I can help with any local issue.

We provide help around the home and garden as well as transport to medical appointments, shops, hairdressers etc. In the past 3 months 2300 miles were covered by our 20 volunteers. If you would like to find out what Four Villages Link has to offer, or to use our services, please call the coordinator on call 07852 256939 or go to <http://thefourvillageslink.org.uk/>. Look out for events over the coronation weekend in May and we will do our best to provide transport. Our AGM is Tuesday 16th May in Edington Parish Hall, from 10am for refreshments; do come along.

NAMES FOR FOOTPATHS

Thank you so much to those who have submitted name suggestions for our un-named footpaths. Some have also been accompanied by fascinating historical stories, which will be passed on to the History Association. The closing date was 27th April so once the committee have reviewed the suggestions, and made decisions, a map will be included in the June BPN.

BRATTON NEIGHBOURHOOD PLAN – LATEST UPDATE

Since our update in the November edition of this newsletter, the following progress has been made:

- **Local Green Spaces** – We had a great response to this exercise and a short-list of those that meet the criteria set for designation is being prepared for public consultation.
- **Special Views** – We also received a good number of nominations to this exercise, several of which overlapped with LGS nominations.
- **Community/Heritage Assets** – Work has also begun to identify other elements that make Bratton special. Some of these are already protected through National Designations such as Conservation Area Status and Listed Buildings, others are more 'locally-valued'.
- **Call for Sites** – 5 sites were nominated by their owners. These will be assessed for technical suitability by independent experts by the end of the Summer. This will provide the basis for an informed discussion about whether or not our community supports their inclusion in the plan.

What's Next?

Members of the volunteer-led **Neighbourhood Planning Steering Group** are continuing to work on various aspects of the plan and meet on the first Thursday of each month to discuss progress. If you would like to get involved by joining the Steering Group, please contact The Chair for details. We will also be at the two following events to answer any questions you have:

Tuesday 23rd May @7.15 pm: Annual Parish Meeting in the Jubilee Hall.

Wednesday 28th June: Community Consultation Event in the Jubilee Hall as part of Bratton Week. More details to follow in next month's Newsletter.

Cllr Eddie Cole, Chair of the Bratton Neighbourhood Plan Steering Group: neighbourhoodplan@bratton-parish.co.uk, <https://bratton-parish.co.uk> (Neighbourhood Plan Section).

U3A – WESTBURY

At the last meeting, a short talk was given by Link volunteers, explaining how the system works, is funded and benefits for volunteers and clients. Transport is provided as a means to attend medical appointments as far afield as Salisbury and Bath. Many clients are regulars and friendships are often formed between them and volunteers. Each client contributes an anonymous donation and volunteer drivers can claim expenses. Comments from the audience showed how much the Link scheme is appreciated. Lily Munday then gave a most interesting talk, interweaving the history of gloves, glove-making in Westbury and Warminster and her own career in the local industry. Our May meeting will have a talk by Brian Freeland on George Bernard Shaw.

We meet monthly on the 2nd Tuesday at 2pm. Westbury URC Hall, Warminster Rd, Westbury BA13 3PJ.

- Park at rear, off The Butts via Hospital Road. Please ignore the Car Park Closed sign.
- £2 payable on entry unless otherwise stated.

EDINGTON ARTS - JUNE CONCERT AND A REMINDER

The extraordinarily talented and charismatic pianist Martin James Bartlett will be performing in the Priory Church on Saturday 24th June at 7.30pm. Having won the BBC Young Musicians competition in 2014, he has gone on to fulfil the promise of a glittering career, performing all over Europe and making a number of recordings which have received brilliant reviews. He combines flawless technique, adventurous and wide-ranging musical tastes, and huge emotional depth to produce performances which are remarkable on many levels.

His programme for us is mostly, but not exclusively, French: Couperin, Debussy, Rameau and Ravel, interspersed with Haydn and Schumann/Liszt. This will make for a delicate and expansive evening's music, entirely appropriate for a midsummer concert.

Full details are on the Edington Arts website, and you can secure your tickets, still at 2014 prices, by ringing Chrissy on 01380 831256 or emailing sue@edingtonarts.org; £20/15/10, and 18 and under come free.

Don't forget about the 2023 Choral Workshop with Jeremy Summerly on May 20th. Full details are on the Edington Arts website, www.edingtonarts.org. There are still spaces available for all parts.

OLD COINS – NEW LIFE!

I am planning to make a mosaic of an old coin-operated telephone for display on our Village Telephone Box and need to some help! K6 Phone Boxes, found in villages across the countryside, were originally designed to commemorate King George V's Silver Jubilee. As a result I would to include some coins from this era in the design. Does anyone in the village have any squirreled away somewhere that they'd be willing to donate to the project? If so please contact Sian Morgan: sianmorgan155@btinternet.com.

ART IN THE GARDEN – SAVE THE DATE

Sunday 9th July will see the return of Art in the Garden. We will have some very talented local artists showing their work this year. Many of them will be exhibiting in Gardens that have not been open to the public before or for some time. All the proceeds will be going to local good causes. If you are interested in helping sell tickets on the day, please contact Sian Morgan on sianmorgan155@btinternet.com.
